

# SCRC Alabama State Rally • Guntersville

May 13th - 15th, 2005

Once again a generous group of riders from the Southern Cruisers Riding Club has come together for riding, socializing and fund raising. Riders from all over Alabama and surrounding states came together in Guntersville for the annual state rally. Lively music and some swimming "biker style" brought out the fun loving folks who were in attendance.

In all a little over 325 members and guests joined in the dice run and other events and including the auction so that in total over \$6500 was raised for St. Jude's. Particular thanks go to local motorcycle and/or accessory shops and other suppliers for their generous donations of door prizes and auction items to help raise this money.

Special thanks to the folks at the Holiday Inn in Guntersville and of course to all the SCRC hard working volunteers who made it all happen. Thanks, too, to all who donated their hard earned cash and helped this event be a huge success for this worthy cause.

*Ride Safe,  
Kathy*
