

Biker Shack 411 Benefit Poker Run

On October 21, 2006, Biker Shack 411 in Centre Alabama, held a poker run to benefit the Spring Creek Fire Department. The day started very cloudy and cold but as we all know it takes more than a little bad weather to dampen the spirits of a bunch of bikers. The bikers started to arrive to the smell of hot dogs, hamburgers and barbeque on the grill. Everyone signed up to ride through the back roads of northeast Alabama and northwest Georgia.

The leaves were just beginning to change making for some beautiful scenery. Everyone enjoyed the ride and returned to Biker Shack 411 to sample some of the great food. Pam and John worked real hard putting the ride on with the help of the Volunteers from the Spring Creek Fire department. Pam and John were busy showing off their new lines of winter wear and keeping everyone happy with bargains all day. If you are ever in Centre, Alabama stop by and check them out, and tell them that you heard about them in Thunder Roads.

*See You On the Road
