

WEISS LAKE SOUTHERN CRUISERS 3RD ANNUAL NEW YEAR'S DAY POLAR BEAR RIDE

The 3rd Annual Polar Bear Ride met at BikerShack 411 on January 1st where refreshments were being served. The bikes left Biker Shack 411 and rode to Mountain Cove Farm in North Georgia. 69 bikes and many more hardy souls showed up to take part in the ride, and one dog, Gizmo. Two riders from Indiana rode in the morning of the ride and returned home on the same day. A good safe time was had by all to bring in the New Year. Campfire Chili was served upon the return to Biker Shack 411. For more information about this and other events from the Weiss Lake Southern Cruisers check out their web site, www.weisslake.com/scrc. See ya next year!
