

# 4<sup>TH</sup> ANNUAL CRAWFISH BOIL

On the 31st day of March 2007, the small town of Centre, Alabama was awakened to the roar of over 2000 motorcycles. Never before has this small farming and fishing community seen so many bikes and bikers in one day. The locals and those just passing through could not understand what so many motorcycles were doing in their town on a Saturday morning, but every biker within a 200 miles radius were all on their way to the 4th Annual Crawfish Boil held at the 411 Biker Shack, just east of Centre for a fun and event filled day. The day started with a poker run put on by the Weiss Lake Chapter 80, Southern Cruisers Riding Club, to benefit a fallen member. The poker run traveled through some winding roads and beautiful lake side areas. A 50/50 drawing was also held with cash and door prizes given to the winning tickets holders. Next was the bikers games put on by the Christian Motorcycle Association. A motorcycle show was held with some of the best looking bikes in the southeast. The judges had a really hard time trying to decide which bikes got the trophy. A people choice trophy was also awarded to the Patriot Guard Flag Bike. During the day two bands kept everyone entertained and dancing with some tunes. The bands were, Black Friday from Rome, Ga. and Emerson Biguns. Both bands were really kicking.

Throughout the day people were busy trying to visit all the vendors on the site. Just to name a few, dyno truck, Air brush, tattoos, body piercing, helmet hair, leather, tee shirts, wood crafts, knives, and food. With all this walking around everyone got hungry and John (Mud Bug) Hunt was cooking up some of the best crawfish this side of the Mississippi river. He worked hard all day trying to keep everyone fed. Pam was everywhere making sure that all the events were taking place and that everyone was having a good time. The Spring Creek Fire Department was on hand to provide security and parking control. Man those guys really did a great job.

At the end of the day Pam and John handing out trophies to the winners of the events and presented the Spring Creek Fire Department with a check for \$1,000. The day was a big success everyone had a super good time without anyone getting hurt. This was the 4th Crawfish Boil and they just keep getting bigger and better every year. If you have not attended one do yourself a favor and be there next year. you will be glad you did. Thanks go out to Pam and John and all the folks at the 411 Biker Shack who worked so hard to make this event a success, and also to the people of Cherokee County for making everyone feel welcome.

See you on the road,  
George, Brenda and Gizmo
