1ST ANNUAL CHEROKEE COUNTY TOY RUN BENEFITS LOCAL CHARITY

Over 28 riders participated in the First Annual Cherokee County Toy Run, which raised over \$200, and many toys for the Nettie King Brown Clearinghouse.

Riders gathered at the 411 Biker Shack Saturday at noon and rode all the way to Leesburg, and then rounded back to the Centre First United Methodist Church where they delivered donations and were fed by volunteers with the Clearinghouse, and Domino's Pizza of Centre.

Kay Davis with the Clearinghouse was excited to get to partner with the Toy Run and raise more money and toys, and all the riders were proud to have made a difference in the lives of some of the needy families in Cherokee County.

Members of the Toy Run would like to thank local law enforcement for helping block roads for the ride, and give a special thanks to Centre Police Chief Val Courtney, who led the ride on his police issue motorcycle.

Next year, they hope to double the amount of participants and the amount of toys and money raised as they plan to continue supporting the Nettie King Brown Clearinghouse.
