

Veterans Day Ride to the Wall

Every year Anniston Alabama holds a Veterans Day Ceremony that SCRC Chapter 80 has participated in ever since it's inception in 2004. Our Host, The American Legion Riders from Post 155 Bynum, Alabama always open their doors to riders from all over that can participate in the 20 odd mile escorted ride to the beautiful Veterans Memorial Wall in downtown Anniston. This memorial lists the names of all the Alabama Fallen Hero's from every branch of service for every conflict from WWI through the First Gulf War with locations set aside for present and

future conflicts. There are currently 27 Alabama Congressional Medal of Honor recipients listed on the wall.

I'm always impressed with the turnout for this event, rain or shine, as well as all the support shown from local Anniston residents... Not only does the traffic flow come to a complete stop for the riders, but many individuals exit their vehicle to wave at the procession or simply stand at attention while we pass.

Thanks go out to Ron for remembering to bring a camera 'cause as usual, Joe Friday forgot his!... I'll do better, I promise!...
