

## Weiss Lake Southern Cruisers play Santa

Special to the Herald

**CHRISTMAS FOR THE ELDERLY.** For the third year, the Weiss Lake Southern Cruisers motorcycle group has done a fundraiser for the local Nursing Home (Cherokee County Health and Rehabilitation Center). This year the home had been filled to capacity, so members prepared gift bags for all 185 beds and visited every individual resident. The Cruisers owe a special thanks to the Gadsden arm of the Christian Motorcycle Association for their assistance with the project this year, also to our business sponsors: W.Y. Shugart & Sons, Wood Forest Bank, First Southern State Bank, Pemco Corporation, Centre Piggly Wiggly, RV Weiss Lake Park as well as the many individuals that made contributions of materials, time and money to make this event a success!
